

JOIN US FOR A NEW SCHOOL TO FARM DAY!

Presented by NH Agriculture in the Classroom, The Rocks Estate and the Grafton County Conservation District

Bring science, social studies, math and other curricula to life with hands-on activities and entertaining educational agricultural demonstrations!

BASIC INFORMATION

DATE: Wednesday 5/22/19
TIME: approximately 9:30 - 1:30
WHERE: The Rocks Estate in Bethlehem
COST: \$5.00 per student, no charge for adults
LUNCH: everyone needs to bring their own lunch

HOW IT WORKS

Farmers and other agriculture professionals are on hand to offer demonstrations and mini lessons in their area of expertise. With each one hosting a different station, classes rotate through the stations, spending about 15 minutes at each one creating a diverse agricultural experience.

WHY

School-to-Farm events enable children to learn about the agricultural heritage of our state while building an appreciation for the critical role that our food and fiber systems play in their everyday lives. Agricultural topics can be used to give real life meaning to many core curriculum requirements. Teachers who have participated in the past say this is "one of the best field trips" and "ties in directly with what we cover at school".

WHAT YOU'LL SEE

Students may learn about dairy, chickens, soil ecology, fiber, maple syrup, Christmas tree farming, beekeeping and a variety of other topics. You never know who or what you will see!

WHAT'S NEXT

Please visit <https://form.jotform.com/nhaitc/grafoncoos-2019-schools> to register. Upon completion, you will receive a confirmation email. In early May, we will pass along the details such as exact times of arrival and departure. Payment will be expected no later than your arrival at the farm. If you have any questions or would like a registration link emailed to you, please contact us at nhaitc@nhfarmbureau.org. Hope to see you in May!
