

Virginia Agriculture in the Classroom

2018 Adopt-a-Teacher

When you adopt a teacher, your honoree will receive materials that include:

- Our current curriculum unit
- The latest AITC educational newsletter
- A special back-to-school gift
- Information about our online resources & educational tools

Give back to a special teacher in your community while supporting agriculture literacy!

Partner with Agriculture in the Classroom to honor a teacher by providing them with classroom resources to connect their students to agriculture.

To participate, simply complete the form on the back and return to our staff. Want to double your impact? Consider a matching donation for each teacher you adopt to support agricultural literacy programs across the Commonwealth.

For more resources to connect children to agriculture visit AgInTheClass.org.

Adopt-a-Teacher Request Form

To participate, return this form via email or mail along with \$15 for each teacher you would like to adopt. Teacher packages will be couriered to your county Farm Bureau office or mailed to your business for you to personally present to your honoree.

Return forms and payments to:
 Agriculture in the Classroom
 Adopt a Teacher
 P.O. Box 27552
 Richmond, VA 23261-7552
