

# 2018 AGRICULTURE LITERACY WEEK

*presented by*

## AGRICULTURE IN THE CLASSROOM

*Celebrate Virginia agriculture March 5-9, 2018 by reading **These Bees Count!** and connect children to agriculture by learning of the important role bees play in producing some of our favorite foods.*

Books are best suited for a PK-3 classroom and are available for purchase from Agriculture in the Classroom for \$10. Order form is enclosed as well as available at [AglInTheClass.org](http://AglInTheClass.org).

Also available on [AglInTheClass.org](http://AglInTheClass.org) and included in your book package are complementary curriculum resources.
